## FROM THE PRINCIPAL

### CHINESE SISTER SCHOOL VISIT

Two weeks ago I spent a week in Beijing, China, visiting our sister schools – the Kindergarten and Experimental Primary School of Beijing Normal University. I spent time at both the Kindergarten and the Primary school. In China, children attend Kindergarten from ages 3-6 and then start school from age 6 and are at Primary school from Years 1-6. The equivalent of our Prep year is their last year at Kindergarten.

### Primary School

I was welcomed on my first day in China to the Primary school by Mr Wu, the Principal of the Primary School and Ms Huang, Principal of the Kindergarten, and then attended the Monday morning outdoor whole school assembly where students speak and there is a flag raising ceremony – the Chinese flag and the school flag. Usually the school band plays at the assembly but as there was light rain, they didn’t play on that morning. The assembly occurs each Monday. I then visited the classrooms of the Year 3 and 4 students who are corresponding with our Year 3 and 4 students at Milgate. They did various performances in Mandarin and English – singing, dancing, playing musical instruments, performing magic tricks and a calligraphy / paper cutting demonstration. I played a game of charades with the students as well. I also observed lessons in: Maths, English, Music, Art, Science, Calligraphy, etc. The students begin school at 8am and finish at 3:30pm. From 3pm – 3:30pm they all go outside and are involved in physical activities such as: basketball, diablos, running, games and playing on equipment. On some days there are after school activities / clubs that parents pay for and students can attend such as: dance, taekwondo, craft, calligraphy, roller blading. Each class has 40 students in it and they have a different teacher for each subject but they do have a class master (Home group teacher). The students sit in rows in individual desks and the teacher uses a data TV for their lesson and there is some involvement from students. For each subject the students have text books. Lunch is provided for students each day by the school. The Primary school has 1700 students, 42 classes and 116 teachers.

### Kindergarten

The Kindergarten has 5 branches with 82 classes, 500 teachers and 2500 children. I visited the main branch of the kindergarten which was close to the Primary School. I was greeted by Ms Huang, the Principal of the whole kindergarten. At each branch there is also a Principal for the specific branch and Ms Huang meets with them all once a fortnight. I went for a tour of the kindergarten and the displays and facilities were very impressive. The children are in classes of 30 with one teacher and an
The kindergarten day starts at 7:30am and finishes at 5:30pm. In the middle of the day, all students have a sleep for 2½ hours. A few children stay overnight at the kindergarten on some nights. The children and staff are provided with 3 meals and 2 snacks each day as there is a large kitchen with 16 staff at the kindergarten. There are also 8 nurses at the kindergarten. I observed a Music, Library and PE lesson. I also went into a classroom where the students were engaged in a variety of activities similar to our kindergartens. The kindergarten provides child-centred education, themes based learning and aims to develop children’s creativity.

Both the kindergarten and the Primary school have a training program for teachers from other areas of China and they send teachers to West China for several months at a time to assist them with training and modeling in teaching and learning. This is part of their community service / social justice work as Western China is a disadvantaged area of China and the schools are not as fortunate as those in Beijing. So they want to support these schools to improve. The students in both the Kindergarten and the Primary School raise money for various charities in China eg Earthquake victims so there is a strong philosophy of giving to, and caring for, others and working together for the greater good.

During the visit to Beijing we discussed the Chinese student and teacher visit which will be 7-11 October. There will be 12 students and 6 teachers (4 primary and 2 kindergarten) visiting Milgate PS. In the next couple of weeks a letter will be sent home to parents with further information and requesting families to host a Chinese student.

PRINCIPAL’S UPDATE
Over the last few weeks there have been many school activities and learning opportunities. The Year 5 and 6 students all enjoyed their camp at Coonawarra. They participated in many activities such as: canoeing, high ropes, giant swing, horse riding, flying fox, raft building, archery, etc. Many students challenged themselves and achieved things they had never done before. Thank you to James Will and the Year 5 and 6 teachers who organized the camp and worked with the students for the week. Thanks also to other school staff and parents who attended the camp. All the students had a great time and appreciated the assistance and care from everyone. Also during that week, the Preps visited the Museum and learnt about Grandma’s Toy box as well as seeing the animals and other exhibits. The Year 3 and 34B students did a walking tour of Doncaster, visiting Schramms Cottage and other places of interest in our local area. The Year 1 and 2 students visited Edendale Farm, where they investigated, saw and learnt about a variety of mini beasts. On Friday the Year 5 students will be going on an art walk around the city to investigate the types of art work in the city streets. Each of these excursions link into the PYP Unit of Inquiry that each level is studying.

The Year 3 and 4 students have been participating in the swimming program at Aquarena over the last two weeks developing and learning new swimming skills.

PLANNING WEEK
Next week is planning week when the teachers have a planning day to plan the curriculum and learning program for Term 3. Each year level is on different days: Monday – Prep, Tuesday – Years 5 and 6, Wednesday – Years 1 and 2, Thursday – Years 3 and 4. On These days the specialist teachers will take the classes at each year level. The Specialist teachers have a planning day on Tuesday in the last week of the term.

CURRICULUM DAY – WEDNESDAY 17 JULY
The last Curriculum Day / Pupil free day for the year will be on Wednesday 17 July which is the first week back next term. On this day the teachers will be doing professional learning in the areas of: Inquiry Learning, PYP and the Australian Curriculum.

STUDENT REPORTS AND PARENT / TEACHER INTERVIEWS
Parents will have an opportunity to meet with their child’s teacher to discuss their learning progress during Parent teacher interviews. Parent teacher interviews will take place on Tuesday 25 June (3:45pm – 8pm) and Wednesday 26 June (3:45pm – 6pm). Bookings for these interviews can be...
done online and information was sent home about this last week. There is a link (www.schoolinterviews.com.au) and further information on the school website.

The student reports and portfolios will be sent home on Monday 24 June. These provide a summary of a student’s learning and achievement for Semester 1. Student portfolios will also be sent home with reports and this is an opportunity to celebrate and discuss your child’s learning with them.

SCHOOL 2012 ANNUAL REPORT
Milgate PS and all state school annual reports will be publicly available in the State Register on the Victorian Registration and Qualifications Authority’s website by the end of June 2013 at:

Hard copies are available from the school on request.

Debbie Mierisch
Principal

STUDENT AND SCHOOL COMMUNITY SAFETY

Just a reminder to all parents, students and school community members in regard to safety. Please DO NOT double park in streets or across neighbour’s driveways. Also the school car park is for staff only and parents are requested not to drive into the school car park when dropping off or picking up their children.

Could all students and parents please use the appropriate pathways out of and into the school and DO NOT walk across the car park – this is for safety reasons. Also remember to use the school crossings when crossing the road so everyone stays safe.

Thank you for your assistance with this.

CURRICULUM DAY

Wednesday 17 July

No students at school
SPORTING HIGHLIGHTS Congratulations to Brooke T who has successfully made it through to the last round of the SSV Girls Basketball selection trials. Brooke will attend a 2 day camp in the upcoming holidays; we wish Brooke all the best and look forward to hearing how she goes. Good luck Brooke.

Well done to the nine who competed at the Manningham Division Cross Country Championships on Tuesday 11th June at Yarra Glen Race Course. All the students represented Milgate extremely well and ran to the best of their ability.

10yr Girls: 4th Petra E | 8th Emma Mc | 13th Lara J
11yr Girls: 18th Georgia R
12yr Girls: 1st Abbey C

Boys: 2nd Max T | 13th Mitchell R
Boys: 10th Thomas P | 11th Zac R

Students that placed in the Top 12 in their age group will now run at the Eastern Region Cross Country Championships on Tuesday 18th June at Yarra Glen Race Course. Good luck everyone!

INTERSCHOOL SPORT:

Tuesday 6 June

ROUND 6

WHITE TEAMS vs. SERPELL P.S.

Football:
No game – Serpell Curriculum Day

Bat Tennis:
No game – Serpell Curriculum Day

Soccer:
No game – Serpell Curriculum Day

Soccer:
No game due to weather.

Netball A:
No game due to weather.

Netball B:
No game due to weather.

Girls Tee Ball:
No game due to weather.

OUTDOOR EDUCATION: I have finalised all my staffing for the Yr. 3 & 4 Camp and if I need any more Parent Helpers I will be in touch. I have sent out the Yr. 3 & 4 Camp Permission Forms, Initial Information and Medical Forms. Please assist us by filling these forms in as soon as possible. I will be sending home more information early in Term 3. If you have any questions please feel free to contact me.

TERM 3 LUNCHTIME BASKETBALL PROGRAM RUN BY KIDZFIT 45: If your child is interested in learning more about the game of basketball through a fun and interactive lunchtime program, please contact Jo McAuliffe at Kidzfit 45 on 0418 126 664.

If you wish to know more about how you could help out with any aspect of the PE/Outdoor Learning Program, please contact James Will at school or have a look at the Physical Education Handbook on the Milgate PS website under the Notices section.

James Will
PE/Outdoor Learning Coordinator
JUNIOR SCHOOL COUNCIL

FRIDAY 21 JUNE
JSC is holding a FREE DRESS DAY for our Plan Sponsor Child Binod in Kathmandu. Please bring along a gold coin donation to assist Binod and his family to have better access to medical treatment, clean water and an education. Every donation counts.

Thankyou.

Miss Wong, Mrs Houghton and Mrs Wright

FROM THE OFFICE

TELEPHONE LINES
We have found there is a fault with two of our telephone lines which affects both outgoing and incoming calls. We have alerted the telephone company to the issue and they will be sending someone out onsite in the next couple of weeks to fix the issue. We thank you for your patience.

WEBSITE
We now have a translator on every page of our website! There are 51 languages to choose from and once you select a language, it will remember it for each page. This is great news for our non-English speaking families but also for families that would just rather read in their preferred language.

UNIFORMS WANTED
Do you have any secondhand tracksuit pants in Sizes 4 or 6?
We need more spares for Sick Bay, especially with the wet weather now upon us. The little ones sometimes trip over in the wet and require a dry pair of pants for the day. If you have any that are still in good condition [no holes please] then we’d love it if you can drop them off at the Office. Thank you!
Recently the Prep children went on their first school excursion EVER!

They travelled by bus to the Melbourne Museum where they learnt more about toys from the past in the Grandma’s Toy Box workshop.

They also explored the Children’s Gallery, the Dinosaur Gallery, the Forest Walk and the 123 Grow and Melbourne Story exhibitions.

It was a very exciting day!
We all had a very exciting day learning more about minibeasts and their habitats at Edendale Farm.

Max liked digging in the bug pits for Minibeasts. He found a spider.

CiCi enjoyed the Diamond Creek walk and tried to find a platypus and the Diamond Creek Galaxia, which is a fish!

Sebastian’s highlight was creating a sculpture with recycled materials. He made a frog!

Michela M found out that the worms make worm tea and that is used to help the veggies grow in the veggie gardens on the farm.

We all liked learning about the Eltham Copper Butterfly!

Marty found a millipede in the bug pits and liked feeding the chickens.

Charlie liked jumping in the puddles in his gumboots on the Diamond Creek walk.
YEAR 6 PYP EXHIBITION

The Exhibition is an important part of the PYP for all students. As part of the final year of their PYP programme, students are undertaking a collaborative, transdisciplinary inquiry that involves them identifying, investigating and offering solutions to real-life issues or problems.

As the culminating experience of the PYP, the Exhibition is an exciting opportunity for students to demonstrate independence and responsibility for their own learning.

It is an opportunity for students to:

- Engage in an in-depth, collaborative inquiry;
- Demonstrate independence and responsibility for their own learning;
- Explore multiple perspectives;
- Synthesise and apply their learning of previous years and to reflect upon their journey through the PYP;
- Demonstrate how they can take action as a result of their learning;
- Unite all members of the school community in a shared experience of the PYP; and
- Celebrate the students’ transition from primary to secondary education.

Throughout PYP Exhibition inquiry, each group of students is assigned a mentor who will support the group through the process. Groups meet with their mentors on a weekly basis and/or additionally as needed.

Mentors play a vital role in the Exhibition process and can help students meet their goals by asking questions, suggesting resources, helping to interpret difficult language and facilitating interviews or telephone calls.

Students have commenced work on designing their unit of inquiry. They are excitedly researching, investigating and exploring a range of real-world issues, through the Transdisciplinary Theme ‘Sharing the Planet’.

<table>
<thead>

All families and friends are welcome and encouraged to be a part of this fantastic celebration of learning.

Karlie Gooding

*Educational Leader – PYP*
BUNNINGS BBQ BONANZA!

The Bunnings BBQ fundraiser was held on Saturday June 1st and we are delighted to report that it was a fantastic success. We sold over 70kgs of sausages and raised $1,800 in profits to go towards our Prep Playground revamp. It was wonderful to be supported by so many Milgate parents and teachers on such a cold rainy day. Our biggest thanks go to Lee Camilleri and Harveen Puri (left picture) for all of their hard work in co-ordinating the event.

SCHOOL DISCO
The school disco is now just two weeks away and ticket orders are coming in thick and fast.

Don’t forget that this year the theme is … ‘Come as your favourite rock star’!

Tickets are $5 each and can be ordered using the form sent home last week (extra copies available at the office).

Parent helpers are an important part of the evening – please return your volunteer forms if you’d like to help out.

EARN AND LEARN NOW FINISHED
It’s over again for another year - thank you to all families who have already sent in their stickers and sheets – if you haven’t already done so, please send in any left overs asap so we can finalise the tally and order some products for the school. Sheets/stickers should be placed in the green box near the office.
UPCOMING PROJECTS
The P & F have some very exciting projects coming up in Term 3 and 4 including a chocolate and herb sales drive, the annual Father’s Day stall, a Skip-a-thon and our Christmas raffle and Doncare Christmas tree. We’d dearly love to get some extra assistance from Milgate parents to help co-ordinate these events and can promise you a warm welcome into our friendly group, plenty of laughs and a great way to meet parents from Milgate. Even if you are unable to attend meetings, please feel free to contact me at the email address below if you’d like to know more or be involved in any way.

Homepage - Recent News
This week at After School Care…

The team at After School Care over the past few weeks have been designing and making our new recycling bin. The first stage was brainstorming ideas on poster paper. We then drew a couple of design sketches before choosing the best suited one. Construction began two weeks ago and has now been completed!

Next Wednesday will be the official launch of ‘Zero the Recycling Hero’. He is 100% environmentally friendly as he is made completely out of recycled products from Milgate Camp Australia.

Other activities we have done include a group skipping game, making birds, Lego and our old favourite, a game of Octopus. Thanks to Bronte, Audrey and Jen for the delicious banana pancakes you made us last week. They were delicious 😊

Finally, the holidays are coming up which can only mean one thing: Holiday Club! Join us at Milgate for some fun club based activities, incursions and excursions including going to see Despicable Me 2 and visiting Melbourne Zoo!

If there are any questions regarding the program or Holiday Club, please do not hesitate to contact me.

Elyse

PREP ENROLMENTS FOR 2014

We are now accepting Prep enrolments for 2014.

Interested parents can book a school tour with our Principal - Debbie Mierisch or Assistant Principal - Mark Roberts, please contact our Office to arrange.

For sibling enrolments please come by the Office for an enrolment form or download it from our school website.
**ACTIVITIES AT MILGATE**

**Basketball**
Milgate Community Basketball for students in Years 1 - 6.
Cost: $30 registration and $30 for basketball top.
Enrolment forms available at the Office.

**Chess Club**
Mondays
Term 2 is for 10 weeks (excludes 10 June)
3.30 to 4.30pm in Library
$9.50 per lesson
Enrolment forms available at the Office, on Milgate’s website (under ‘Notices’) or visit www.chessideas.com.au

**Formosa Chinese School**
Saturdays
9.45am – 12.30pm or 10am – 12noon for 2yo Playgroup
Please contact Teresa Chen (Principal) on 0412 037 192 or principal@formosa.org.au.

**Kelly Sports (Prep to Yr 4)**
**Brilliant Ball Sports**
Tuesday 3.40 - 4.40pm
DONT MISS OUT ON HITTING A SIX! BRILLIANT BALL SPORTS allows your child to play a range of dynamic and active programs run over 10 weeks; these include: Soccer, Football, Netball, Basketball and Crazy Games! This Program will not only provide an essential base for your child's motor skills but help build awareness, co-ordination and friendship all in an enjoyable environment.

**Gym Fun**
Wednesday 12.50 - 1.50pm
This fun fast paced, highly active and non-stop program is an introduction for your child to the world of gymnastics. Colourful ribbons, entertaining Hula Hoops, incredible Rhythmic Routines and Group Dynamics. Allow your child to build their gymnastics skills and their thirst for exciting energetic activities.
Available for students in Years 1 – 6 who have qualified.
Enrolment forms available at the Office or visit www.kellysports.com.au/zone/templestowe

**Musical Inspiration**
Music lessons available for trumpet, drums, saxophone, clarinet, flute, keyboard/piano, violin, cello, acoustic guitar, electric guitar, bass guitar and singing.
Lessons rotate during school time.
Brochures/enrolment forms are available at the Office or on Milgate's website (under ‘Notices’).

**WiseOnes**
**Heroes, Villains and Star Wars**
Mondays (Term 2 is for 8 weeks)
What leads us to change from good to evil or reverse? Remember in Star Wars Darth Vader, Dark Lord of the Sith, was the scourge of the Jedi but he began life as Anakin Skywalker, a young slave from Tatooine, skilled in piloting and strong in the Force. The path of a Jedi is often difficult, filled with conflict and pain, yet Luke Skywalker, a simple farm boy, became the greatest hero the galaxy has ever known. Meet other heroes - Hercules, Penelope, Arthur, Boadicea, Weary Dunlop, John Monash and more amazing 20th century people who showed heroic characteristics. Are you a hero too? Learn more about drama and acting. Learn play-writing and how to develop dialogue. Tell great stories old and new.

**Coming Up Term 3, 2013 . . .**
**The Life and Numbers of Fibonacci**
Who is Fibonacci? What are his famous numbers about? When did he live? What was his nationality? What is Pascal’s triangle? Why would I soak pine cones for you? What's a fractal? Where does a fern frond end? What's your chances? What's infinity? Where do I find these patterns? How do I work it out? Does it work in other ways? How can I use this new knowledge? Be a mathematician and have fun. We teach you the new ideas and you explore how it works in practice.

This program is available for all Year 1 - 6 students who have qualified for WiseOnes. The unit for Term 3 commences week beginning Mon 22 July and will run for 8 weeks (of the 9 weeks available).
Dates are 22 | 29 July; 5 | 12 | 19 | 26 Aug; 2 Sept; 9 | 16 Sept.

Enrolment forms available at the Office or on Milgate’s website (under ‘Notices - Extra-Curricular Activities’).

Chess for Children at Milgate PS

At Milgate Primary School we have an after school activity of Chess on Mondays from 3.30pm to 4.30pm. Chess is a game that requires some learning and lots of playing to become good at.

It is fun and absorbing to play but also competitive and motivates us to win, but also teaches us how to deal with defeat. It is like a lesson of life but without any dire consequences.

Chess is encouraged because research indicates it directly contributes to academic performance. Chess makes kids smarter and better thinkers.

It does so by teaching the following skills:

- Maths and Science problem solving
- Reading skills
- Confidence
- Tolerance
- Sense of judgment
- Critical thinking
- Ability to recognize patterns
- Concentration
- Analytical skills
- Social interaction
- Creativity
- Memory skills
- Tactical skills
- Sportsmanship
- Discipline
- Communication skills
- Visual memory
- Attention span
- Spatial reasoning skills
- Capacity to predict and anticipate consequences
- Ability to use criteria to drive decision making and evaluate alternatives

To read more about this, search for “Chess benefits for children” on the internet to find the surveys and testimonials that consistently confirm the above. One such site is: http://www.schoolchess.org/information/why_teach_chess.html

To be in the Chess club is educational, engrossing and challenging but also held in a safe environment. Note that children are welcome to join the Chess Club at any time.

Children may attend a session for free to see if they’d like to participate further. Pick up a pamphlet with the details and give it a go!
COMMUNITY NEWS

Please see our Community Noticeboard (located opposite the Art room) for any interesting community events. The Department of Education and Early Childhood Development (DEECD) does not endorse the products or services of any private advertiser. No responsibility is accepted by the Department of Education and Early Childhood Development (DEECD) or Milgate Primary School for accuracy of information contained in advertisements or claims made by them.

ACTIVITIES FOR CHILDREN

BASKETBALL
Get Active Sports
Details: Juniors program specifically designed for children aged 3 - 8 trying the sport for the first time. Learn basic skills from experienced coaches using modified equipment. No uniform or special equipment is required for our programs and each child receives a basketball for them to keep.
