**TERM 4**  
**MONDAY 7 OCTOBER – FRIDAY 20 DECEMBER**

---

**FROM THE PRINCIPAL**

We have almost come to the end of another term. This will be the last WHAM for this term. It has once again been a busy term with many achievements for students at Milgate PS. I would like to thank all the staff, parents and students for their assistance and support at Milgate Primary School. This is a wonderful school of high academic excellence providing many opportunities for student learning and extra-curricular activities. Thank you to the staff who work as a team to provide the best teaching and learning program for your children in a caring environment which caters for students' individual needs. Thank you also to the parents with whom we work in partnership for the education of your children. Many parents assist the school in numerous ways and we appreciate your time and valuable help which enhances the school and the students’ learning. I wish you all a very relaxing and enjoyable holiday.
This term we have had PYP Inquiry Units, camps, sporting activities, excursions, Education Week, African Drumming, Music Inspiration concert, Maths Talent Quest investigations and many rich learning experiences for students.

Last Monday the students who are learning to play musical instruments gave a concert for parents. They sang or played guitar, drums or keyboard. These students learn from the Musical Inspiration teachers and are doing well with their music.

The Prep students had a fairytale dress-up and activity day recently. They dressed up as fairytale characters, had a fairytale drama presentation and did a range of related classroom activities. This was an introduction to their term Unit of Inquiry.

Many parents attended the Parent / Teacher interviews during the week. This was an opportunity to talk to teachers about your child’s learning progress, to celebrate their achievements and to discuss areas for future learning.

Last week was Planning Week when teachers were released for a day in Year level teams to plan the curriculum and learning program for students for Term 3. Each level has planned Inquiry units of work in the International Baccalaureate Primary Years Program (IBPYP). At the beginning of next term, parents will receive information about the learning program and areas for the curriculum that will be taught for Term 3 at each Year level.

**PHOTOS OF SCHOOL EVENTS**
Parents are able to take photos of school events and activities for their own records. However, photos of school events and activities cannot be uploaded by parents onto Facebook, the internet or any other social media / internet sites or programs. This is for Privacy reasons and to protect our students. Thank you for your assistance with this. The school is able to use some photos for promotional reasons with parent permission.

**CYBER SAFETY / CYBER KIDS**
There are a number of excellent resources for parents and students in regard to internet safety / Cyber safety. Useful Parent and Student Resources can be accessed at: [www.cybersmart.gov.au](http://www.cybersmart.gov.au), [www.cybersafekids.com.au](http://www.cybersafekids.com.au) and also [www.cyberkids.com](http://www.cyberkids.com). There are a range of programs, information and film clips about cyber safety relevant for all age groups.

**DOGS FOR KIDS WITH DISABILITIES**
There is a possibility that Milgate PS may have a dog / puppy to be trained for The Dogs for Kids with Disabilities program [www.dogsforkidswithdisabilities.com](http://www.dogsforkidswithdisabilities.com).

The dog would live with a school family and then come to school during the day as part of its socialisation program. It would be in classrooms and also go outside into a particular area. Students would be able to spend time with it in preparation for it to go to a child with a disability.

DKD provides all food, equipment, and vet care for those dogs on the program. They are also actively involved in training volunteers so that they produce well rounded, well socialised sound puppies that will be successful companion or assistance dogs to children with special needs.

**DKD PUPPY FOSTER FAMILIES:**
Puppy foster families are responsible for the care, socialisation and basic training of a puppy from eight weeks old until the dog is matched with a client. This is generally a commitment of between three and twelve months. Foster families are responsible for providing the puppy with positive experiences with children and the community, socialising the puppy to different environments, training the dog to respond to basic obedience commands, and teaching appropriate manners at home, and in the community.
CURRICULUM DAY – WEDNESDAY 17 JULY
On this day the teachers will be having Professional learning based on Inquiry learning and integrating all areas of the curriculum into the IB PYP. They will also be developing further knowledge in the transdisciplinary skills and concept development for students.

Debbie Mierisch
Principal

International Baccalaureate
Primary Years Programme

Milgate PS has been candidate school* for the Primary Years Programme (PYP) since January 2012. We are now pursuing authorisation as an IB World School.

TRANSDISCIPLINARY THEMES
One of the key elements of the PYP is the six Transdisciplinary themes that the curriculum is based upon. These themes provide IB World Schools with the opportunity to incorporate local and global issues into the curriculum and effectively allow students to “step up” beyond the confines of learning within subject areas. Each one of your child’s inquiries that they have undertaken this year are based upon one of the Transdisciplinary themes and then linked to the Australian curriculum (AusVELS).

THE SIX TRANSDISCIPLINARY THEMES

Who we are
Inquiry into the nature of the self; beliefs and values; person, physical, mental, social and spiritual health; human relationships including families, friends, communities, and cultures; rights and responsibilities; what it means to be human.

Where we are in place and time
Inquiry into orientation in place and time; personal histories; homes and journeys; the discoveries, explorations and migrations of humankind; the relationship between and the interconnectedness of individuals and civilizations, from local and global perspectives.

How we express ourselves
Inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs and values; the ways in which we reflect on, extend and enjoy our creativity; our appreciation of the aesthetic.

How the world works
Inquiry into the natural world and its laws, the interaction between the natural world (physical and biological) and human societies; how humans use their understanding of scientific principles; the impact of scientific and technological advances on society and on the environment.

How we organize ourselves
Inquiry into the interconnectedness of human-made systems and communities; the structure and function of organizations; societal decision-making; economic activities and their impact on humankind and the environment.

Sharing the planet
Inquiry into rights and responsibilities in the struggle to share finite resources with other people and other living things; communities and the relationship within and between them; access to equal opportunities; peace and conflict resolution.

FROM THE OFFICE

SCHOOLKIDS BONUS
Please note that the second instalment of the Schoolkids Bonus of $205 per primary school student will be paid in July directly to the bank accounts of eligible families. This is based on information you provide to Centrelink. Further information is available at [www.fahcsia.gov.au/schoolkidsbonus](http://www.fahcsia.gov.au/schoolkidsbonus).

EMA
The second instalment of Education Maintenance Allowance (EMA) will be processed during Term 3. If you applied in Semester 1 you do not need to reapply unless your circumstances have changed. If you are new to Milgate or you have recently qualified for a health care card please submit an application form which is available from the school office. Please contact the school office if you have any queries.

SIGNING IN AT THE OFFICE
Students are required to sign in at the Office, and a late pass to be given to their teacher, if they arrive in the classroom after 9am. Thank you.

Business Manager

MILGATE CHESS CLUB

CHESS TOURNAMENT
On Wednesday 12 June a Chess Tournament was held at Mont Albert Primary School. Milgate was represented in this tournament by Stanley A, Winson A, Dominic C, Ethan G, Stafford L and Jonathan N. The group tied with Weeden Heights PS to come 5th out of 17 schools. Congratulations to each of you - this is a fabulous achievement!
We have been investigating the impact that humans have on the environment and how this can impact on other living things. We have looked particularly at the choices humans make and how these choices affected minibeasts and their habitats. The students designed mobiles or TV scenes to share their understanding.

If people destroy animals’ habitats, then more animals will be rare and plants will not grow so much. We can protect their habitats by not destroying the plants that they eat.

Nathan 2WH

When a person chops down the trees and litters, the minibeasts and the animals can’t survive.

Sonia 2SL

When people take down trees, birds and insects die because they have no home.

Gunwoo 2PK

If people come and dig up the trees to put concrete down and make roads, it wrecks the habitat of minibeasts.

Chris 2WH

If people chop down the trees and litter, the minibeasts and the animals can’t survive.
CASSE: CREATING A SAFE AND SUPPORTIVE ENVIRONMENT

CASSE AWARDS
Ryan S – 3TW

UPDATE
The CASSE team has been meeting every second or third week this year on Fridays. We discuss if there are any issues in our school that we feel need to be addressed or are really going well. We consistently suggest ideas that will help to make our school a safe and supportive one.

In our meeting earlier in June, we decided that it was important that people understood clearly that an important element of CASSE is the second ‘S’ which stands for SUPPORTIVE.

Supportive means being caring, thoughtful, using empathy, encouraging, realizing that we are all different and showing interest. For us to be a CASSE school, it is really important that everyone in this school is able to demonstrate these behaviours.

Please discuss this with your children so that you can expand these ideas and so they will be able to practise them.

Gail Ashworth
CASSE Facilitator

CURRICULUM DAY

PREP ENROLMENTS FOR 2014
We are still accepting Prep enrolments for 2014.
Interested parents can book a school tour with our Principal - Debbie Mierisch or Assistant Principal - Mark Roberts, please contact our Office to arrange.
For sibling enrolments please come by the Office for an enrolment form or download it from our school website.
Literacy Open Night
Wednesday 31 July

As part of Literacy & Numeracy Week, we will be celebrating Literacy at an Open Night at Milgate on Wednesday 31 July.

The night will begin at 6pm and conclude at 8.15 pm. And it will be held in the BER building.

Come and join us whenever you can during the night. We will have lots of fun activities for everyone to participate in as well as a visiting author.

Meredith Costain is a children’s author who is going to visit on the night and talk to us about her writing and inspirations. You may know her from some of the books that she has written such as ‘Bed Tails,’ ‘Doodledum Dancing’ and ‘Rosie and the Bunyip’.

More details will come out next term but write the date in your diary now so that you can come and join in all the fun.

HIP HOP IS COMING TO MILGATE

Starting in Term 3, Friday lunchtime classes for students in Years 3 – 6. Classes will be held in the Stadium.

Further information will be available from the Office in Term 3 or you can contact Rebecca on 0403 241 480.
DISCO FEVER
Last night’s School Disco was a rockin’ success with plenty of fun had by kids and parents alike. Lots of people dressed up as their favourite rock star and there were some fantastic dancing moves by kids from all year levels. The P&F sends a huge thank you to the parent volunteers for helping the night run smoothly.

INTRODUCING THE P&F COPYING AND COUNTING CREW – SHORT TERM VOLUNTEER WORK
Though most parents appreciate the hard work and events put on by the P&F, many seem reluctant to join the group in a formal way. Unfortunately it takes a lot of hard administration type work to make the events and projects of the P&F run smoothly and we are always short of enough hands to help out.

To help alleviate the problem, we have decided to form a volunteer registry for parents who don’t want to attend P&F Meetings, but who would like to help out at the school from time to time. The P&F Copying and Counting Crew volunteers will receive emails asking for their assistance with photocopying; collating; money counting and ticket distribution for events in the second half of 2013 – namely the Product Drive and Grease Movie Night in Term 3 and the Skip-a-thon and Christmas Raffle in Term 4. Help will be required after school drop off on different mornings, typically for between ½ - 1 hour.
A flyer is being sent home to parents of children in Prep – Year 2, however we would love to involve any volunteers from across the school. If you can help, please add your details to the poster on the P&F Noticeboard near the uniform shop.

**NEITA TEACHER AWARDS**

As parents we value teacher’s efforts, however we rarely have the opportunity to publicly express our appreciation. This is our chance to do so by nominating our teachers and leaders for the ASG NeiTA Awards for Inspirational Educators.

It’s easy to nominate and show our teachers how much we appreciate and support them. Nominations can be made online or forms can be downloaded at [www.neita.com.au](http://www.neita.com.au). Nominations can be made by school parents and grandparents, the parents association, school council and community organisations.

**FOODBANK REMINDER**

A friendly reminder, that the P&F Foodbank is fully stocked with frozen meals available for members of our school community who may be in need. Access to the Foodbank is completely confidential and enquiries should be made through the school office.

This week at After School Care…

The team at After School Care had a great week. Due to the mixed weather we seem to be having, we are taking every possible opportunity to play outside.

It was yet another busy week, with lots of activities going on all at once. Zero the Hero, our new recycling bin, has been launched and is in full use. As it has been quite cold over the past few days, we have enjoyed making popcorn, pancakes, canned spaghetti and Milo to warm us up!

Also, I would like to say a big thank you to all those who helped clean up our area this week: Jarrod, Celeste, Audrey, Taya and Jack. It was great to have you volunteer without hesitation. I’m sure you enjoyed your bonus jelly treat 😊

Holiday clubs: to find our exciting holiday programs for your children please log on to www.campaustralia.com.au/holidayclubs. There is one being run here at Milgate. There will be some fun activities including: Despicable me in 3D, Jungle Fever, The Investigators, and a trip to the Zoo. It will be a fun time for all involved in the holidays.

On Friday 28 June we will be starting our program at 2.30pm and running till 6.00 pm. Come join us for some end of term celebrations. To make a booking please log on to www.campaustralia.com.au.

Have a good holiday everyone!

MANNINGHAM NEIGHBOURHOOD WATCH PHOTOGRAPHY COMPETITION

We have decided to run a photography competition to capture images of the people who provide services to the community and who make Manningham so special. We call on all our budding Manningham photographers while enjoying the upcoming warmer months, to look out for that special photo which best showcases “The Service Providers in our Manningham Community”.

We encourage everyone to enter this exciting competition and there are great prizes to be won. Simply go to the Manningham Neighbourhood Watch website www.nhw.com.au/Eastern-Region/Manningham to read the competition details and to download the entry form.

Entries close on 5:00pm on Monday 11 November 2013.
Each student receives a certificate from their teacher detailing the reason for their award.  
**Congratulations** to these students on their efforts!
