## FROM THE PRINCIPAL

Last week the Prep students went on an excursion to places in the local community which links to their inquiry unit ‘Our Co-operative Community’. They visited the Manningham Recycling Centre, the Manningham Library, the Performing Arts Centre and met up with the Mayor of Manningham, Jennifer Yang. They learnt a lot about what happens in the community and how the community works together. The Year 1 students had an incursion ‘Tiddalick the Frog’ which is a Dreamtime story and links in with Drama and the Year 1 Inquiry Unit – How We Express Ourselves. The Year 1 inquiry central idea is: Through the Arts people use different forms of expression to demonstrate their uniqueness as a human being. This drama presentation demonstrated a way of expressing a story and the students enjoyed it.

This week some of the Year 3-6 students have participated in Hoop time which is a basketball round robin competition between schools.

### PRINCIPAL FOR A DAY

It was fantastic to have Cr Jennifer Yang, the Mayor of Manningham, spend last Monday at Milgate PS learning about schools and how they operate. Cr Yang talked to the student School Leaders and House Leaders. She talked to the Preps about being a Mayor, the Manningham Council and answered their questions about the local community.

### YEAR 6 STUDENTS PYP EXHIBITION

Last week the Year 6 students presented their PYP Exhibition. They had been working hard over a number of weeks on their PYP exhibition – a collaborative inquiry in groups based on the central idea of ‘One Nation can have Global Impact’. The students had to devise their own lines of inquiry depending on their area of focus. They had investigated a variety of areas such as: oil distribution, palm oil production, export of meat products and global education. It was a fantastic celebration of their learning and many parents and friends came to view their work. The students were able to talk about what they have learnt. Their presentations and their learning were outstanding. The students were so enthusiastic, engaged and challenged in their learning throughout the process. Congratulations to the Year 6 teachers and the students. Thank you also to all the teachers who had been mentors for each of the PYP Year 6 groups guiding them throughout their inquiries.
MANNINGHAM PUBLIC SPEAKING COMPETITION
The students in all year levels have been preparing and presenting speeches on various topics in preparation for selection to compete in the Manningham schools Public Speaking Competition. Four students will be selected from the levels across the school to go to the Manningham Public Speaking competition in September.

CHINESE STUDENT VISIT 7 – 11 OCTOBER MEETING FOR INTERESTED PARENTS
Thank you to the families who have volunteered to host our Chinese students when they visit Milgate from 7-11 October. On Monday 26 August at 7pm there will be a meeting for the host families and any other parents who are interested to find out about the visit and about hosting a Chinese student. Even if you are not hosting one this time, you may like to find out about it and perhaps host a student on their next visit. When the Chinese teachers and students visit we will be asking parents to assist with providing lunch for the teachers / students each day. This would be on a roster basis during the five days they are here. Last year when we had the Principal and four teachers visiting from our sister school, the parents were very generous in giving their time and providing lunches for our visitors. It was a wonderful community event. We will also require parents who are able to speak Chinese and English who would be willing to act as interpreters. If you are able to assist with any of these things, please contact the school office or come to the meeting on Monday night.

UNIVERSITY OF NSW ICAS TESTS – SPELLING AND WRITING
On Monday at assembly, the ICAS results were announced. A number of our Year 3-6 students did extremely well in the ICAS Spelling and Writing tests. Some students achieved High Distinctions, Distinctions and quite a number achieved Credits. Congratulations to all students on these achievements and to all who participated.

CYBER SAFETY
On Tuesday night there was a parent evening on Cyber safety at the school. We had a small but enthusiastic group of parents who came to find out about how to assist their children to keep safe on the Internet. Thank you to Claire Harvey-Beavis and Karlie Gooding for a very informative session. The PowerPoint presentation is available on the school website. Parents are encouraged to view this. There are also many resources in regard to cyber safety. Claire and Karlie have put together a list of these which are also available on our website.

WORKING BEE … THIS SUNDAY 9.30AM – 12.00PM
The main aim of our working bee is to replant the garden beds around the Year 3/4 building. We have over two hundred and fifty grasses, trees and shrubs to plant so the gardens should look fantastic by the time we finish. A big thank you must go to Carolyn Drew who has donated close to one hundred plants to our working bees this year. At the completion of the working bee we will have a sausage sizzle with all the families involved.

If you would like to assist at the working bee and you have not RSVP’d please feel welcome to just come along on Sunday morning. It would be great if you could bring a shovel and rake to use. I will order some extra sausages just in case.

2013 MILGATE PS YEARBOOK
Plans for our 2013 Yearbook are up and going. The Yearbook team has been working hard to collate all the amazing events that have taken place this year. We have been lucky enough to have one of our Milgate parents, Meiy Cheng, come on board to design this year’s yearbook. Meiy is a graphic designer so the final product will be something to behold.

Please return your 2013 Yearbook order form to the office ASAP to confirm your order – due date is Friday 23 August. If you have misplaced your order form go to the Milgate PS website to download a new order form. Please hurry! Time is running out to order.

We were looking at street art. We enjoyed researching famous street artists including, Banksy and Leonardo Da Vinci. We found it difficult to pick the colours and fonts as well as putting the piece together. We chose to write ‘YOLO’ because ‘You Only Live Once’, so don’t risk your life doing something silly! **Samir, Jason and James**

We decided to research the art form of sculpture because we wanted to be creative and we also wanted it to be 3D. We made this art piece out of plasticine because we wanted to make food and a dining table. We used toothpicks to make the detailed parts and our hands to get the right shape. We went to each other’s house to make this and then we finished it at school. We got inspiration from pictures of mini food plates that we found during our research. **Audrey, Carly and Jennifer**

We focused on street art and graffiti. For this piece, we chose stencils because it was something new that we haven't done before. We enjoyed doing this topic because we got to go to Hosier Lane in the city. We also enjoyed researching about famous artists like Banksy and Eduardo Kobra because we like their artwork. **Adam, Kyle and Jarryd**

A still from **Monique’s** Contortion video.

**Year 5’s created positive messages for the ‘Expression Wall’**.
As part of our Inquiry into Ecosystems, Year 4 students have decided to take action and make a pledge for Enviroweek on 25th - 31st August. We are taking on the Sparky Challenge and reducing our energy use. The Year 4 students would like to invite everyone to make a pledge and reduce their ecological footprint. The students made posters advertising Enviroweek and Emelie P [4RW] won the competition. Here is her winning poster:

On Wednesday 14 August 2013 the Preps embarked on a tour of parts of our local Manningham area to find out about the services our council provides. This excursion supported our investigation titled “Our Co-operative Community” which aims to give the children an understanding that we are all responsible for creating a safe and supportive community.

One of the places we visited was the Banyule Re-think Recycling Centre in Banksia St Heidelberg. Although technically not in Manningham, our visit was funded by our council through their Waste Education Officer Linda Kenworthy.

We were also given a tour of the council’s MC² building that included the Art Gallery, Art Studio, Dance Studio and Library. We would like to thank our Mayor Jennifer Yang, gallery curator Megan McEvoy and Librarian Laura for making time for our visit.

STOP!

Please read this, it's for a mural.

We are a group of Year 5 students working on a special mural for our school.

We need your help in collecting outdoor house paints to use.

If you have some leftover paint at home please bring it in and put it in the box outside the office. Please put your name and grade on it if you would like it back, or just to count it in the competition. If there is some paint left over we will return it when we have finished our masterpiece!

The competition is between every grade to bring in the most pots and the largest variety of colours.

Thank you!

CHOCOLATE AND HERB DRIVE UPDATE
It was all hands on deck on Friday as the P&F finalised the chocolate and herb orders, and distributed them to the classrooms. We had plenty of parent help and we were even assisted by some little hands and little paws - Mac the disability dog was a terrific supervisor and special thanks to Emma T and Sophie B.

Just a reminder that we have allowed a 4 week selling period however parents can send in the total amount of the chocolate box revenue ($50; or the total amount of the herb/veggie bag revenue $60) any time they choose. Families are then guaranteed an entry into the Milgate Green Ticket raffle and can sell the products at their leisure without the pressure to finalise sales by the closing date.

In addition, we have ordered a couple of spare boxes of chocolates, available to people who sell their boxes/bags early, and who want more – please ask at the office. Remember, each complete box/bag sold earns a ticket in the raffle!

Finally, a reminder that all money is due back at school no later than Friday 13th September. Money received after this time will be gladly accepted, but tickets to the raffle will not be allocated after this date – the raffle will be drawn at assembly on Monday 16th September.

FATHER’S DAY WRAPPING WORKSHOP & STALLS
If you would like to help out on the Father’s Day stall and haven’t already done so, please send in your flyers asap. The stalls will be held on Thursday 29th and Friday 30th August - parents helping on those days are sure to be in for plenty of smiles and giggles watching the kids choose something special for Dad. As with the Mother’s Day stall, items are $5ea and children are invited to shop again on the Friday morning there are any gifts left over.
THE CCC IS OFF AND RUNNING!
The Milgate Copying and Counting Crew is off and running and we’ve had a great response from parents who would like to occasionally help out the P&F, without the pressure of coming along to regular meetings. We are still accepting members, so please send in your flyers to the office if you’d like to help out.
