**MONDAY 7 OCTOBER – FRIDAY 20 DECEMBER**

FROM THE PRINCIPAL

Over the last two weeks, the students have been involved in many great learning opportunities.

The Year 6 students had Hugh van Cuylenburg talking to them about ‘Resilience’ in a very engaging and informative presentation. Resilience is important for all of our students and especially for Year 6 students as they are preparing for the transition to secondary school. These students are also currently participating in ‘Family Life’ sessions providing them with good information about the changes they will experience physically, emotionally and socially as they move towards adolescence and adulthood.

Next week Year 9 students from East Doncaster Secondary College (EDSC) will be visiting the Year 5s and talking to them about secondary school. The Year 5s will also be going to EDSC in the next couple of weeks to learn more about secondary school.

Over the last week, the Prep – Year 2 students have enjoyed their sessions in the Life Ed van where they have met Harold the giraffe and the educator, who have taught them about safety, healthy eating, friendship and working with others.

A number of students have participated in Hooptime over the last week with some good results. Congratulations to all students who competed. Last Friday the Junior School Council organised a successful Footy dress up day to raise money for State Schools Relief which is an organisation that provides school uniforms for students and families who are having financial difficulties. It was a great success and they raised $500.

A number of our students participated in the Manningham Public Speaking Competition at Doncaster PS on Wednesday. All of them spoke very well and are to be congratulated for their speech, their confidence and for taking a risk to speak in front of a large group of parents and students from other schools. The primary schools in Manningham sent representatives to compete in the competition. Congratulations to Max 4AA from Milgate who won the Year 3 and 4 trophy for the best speech.

PRE SCHOOL STORYTIME SESSIONS AT MILGATE

Last Friday 2.15 – 3.15pm was the first Storytime session for this term. Karen Jensen (our Librarian) is running three storytime sessions for preschool children who will be starting school in Prep in 2014. They read a story and then did a follow up activity which they all enjoyed. Year 5 students assisted with the activity as they will be Buddies to the Preps in 2014.

PLANNING WEEK

Next week is Planning Week for Term 4 when each year level team of teachers and specialist teachers plan the curriculum and learning program. Each team will spend a day planning engaging, challenging and interesting learning for the students.
**CHINESE STUDENTS AND TEACHERS VISIT – 7-11 OCTOBER**

We are looking forward to the visit to Milgate of 12 students and 6 teachers from our sister school - Kindergarten and Experimental Primary school of Beijing University. The students and teachers will be arriving on Monday 7 October in the afternoon and then spending Tuesday to Friday at the school in classrooms and learning about education in Australia. Two of the teachers are from the Beijing kindergarten so they will spend a day at Catjump Preschool learning about kindergarten education in Australia. Thank you to all families who will be hosting the students. They are now in the process of contacting the students and getting to know them before they come to stay with them and visit Milgate.

A notice has gone home requesting parents to assist with interpreting, as not all of the teachers can speak English, and also for assistance in providing lunches for the Chinese teachers each day. If you are available to assist please return the notice or contact the school. This will be a wonderful opportunity for our students, families, community and the Chinese visitors to share together about our different education, cultures and to learn from each other.

**CYBERSAFETY**

Last Sunday in the Herald Sun newspaper there was an article about ‘KiK’ which is a social media messaging site that is popular with young people as a way of sending free texts, photos and videos. There has been some very inappropriate use and people using the site and this is causing concern for parents and police. While Kik states that it is for people over the age of 13 years, it is easy to create a profile and it is being used by children as young as 8 years. Parents are encouraged to monitor their children’s use of social media / internet sites and continue to reinforce cyber safety. A couple of weeks ago two of our staff, Karlie Gooding and Claire Harvey-Beavis, presented very useful information to a parent group about cybersafety, keeping safe on social media / internet and some of the sites that young people use. The presentation is available on the school website and I would encourage all parents to look at it – there is a link on the homepage. Other useful information is available on the following websites: www.cybersmart.gov.au and www.cybersafekids.com.au.

**YEAR 5 AND 6 MUSICAL – DANGER KIDS**

The Year 5 and 6 students are busy preparing for their musical which will be on Monday 16 September and Tuesday 17 September at the Doncaster Secondary College performing arts centre. There will be matinee and evening performances on both days and tickets are available for purchase online from the school’s website. All classes in the school will be seeing the performance over the two days. It will be a fantastic performance.

**PREP ENROLMENTS FOR 2014**

We are still accepting Prep enrolments for 2014.

WORKING BEE ... THANK YOU
Our Term 3 Working Bee took place on Sunday 25 August. It was a warm and sunny morning and we managed to clear the gardens around the Year 3/4 building and plant over 200 new grasses and shrubs. I would like to say a huge thank you to all the families who gave up their Sunday morning to attend our working bee. Your help was greatly appreciated and there is no way we could maintain our beautiful gardens without your generous support.

Thank you to the following students and their families: CiCi W, Mitchell D, Emma and Kate M, Matthew G, Jessica and Callum M, Nathan L, Emma P, Petra E, Jack and Jessica D, Zoe C and Brianna F.

Unfortunately we did not have as many people as we would have liked on the day but we hope to see more members of our community at our next working bee.

MULCH MOVING (HELP REQUIRED)
This Friday 6th September from 2.00 – 5.00pm we will be spreading mulch over our gardens. If you are available, at any time between this period, please come and help us. We need as many people as possible as there is a substantial amount of mulch to move. There is no need to RSVP, just show up and lend a hand. Please bring a shovel, rake and if you are able, a wheelbarrow.

Assistant Principal

FROM THE OFFICE

SICK / ILL CHILDREN
We have had a number of students who have been unwell over the last few weeks and they have had to be sent home from school. Please do not send your child to school if they are unwell as we are unable to care for sick children at school. If they are unwell this also becomes a health issue for others in the class as germs spread quickly and others may also become ill. We appreciate your help with this in working together to provide a safe and healthy environment for all our students and staff.

REQUEST – NO NUTELLA, PEANUT BUTTER OR NUT PRODUCTS AT SCHOOL
As there are a number of students in the school who have nut allergies and some who are anaphylactic (life threatening allergy), we ask that ALL students have NO nuts or nut products such as Nutella, peanut butter, etc in their snacks or lunches that they bring to school. Thank you for your assistance.

LOST RABBIT
A white rabbit with grey markings and dark ears has been found in the Milgate Estate. Please phone 9842 0170 if this is your rabbit or you know who it might belong to.

SPORTING ACHIEVEMENTS

Congratulations to Abbey C who ran at the School Sport Australia National Cross Country Championships in Launceston, TAS last weekend. Abbey ran an amazing race and placed 4th in the 12yr Girls 3km race. She was also the first Victorian Runner in the 12yr age group to cross the finish line. Well done Abbey on another outstanding effort.

Well done to all the Yr. 5 & 6 students who competed in the first round of Basketball Victoria’s Hooptime Competition at Nunawading Basketball Stadium on Friday 23rd August. The students all put in a fantastic effort and were a credit to Milgate at this competition. Congratulations to the All Star Girls Team who were winners on the day and now proceed through to Regional Hooptime later in the year.

Good luck to Josh L who is competing in the first round of the Victorian Primary Schools Golf Championships on Monday 9th September. We wish you all the best Josh and look forward to hearing how you performed.

Good luck to all the students who are competing at the Templestowe District Athletics on Monday 16th September at George St Athletics Track. Look out for the results in the next WHAM.

If you wish to know more about how you could help out with any aspect of the PE/Outdoor Learning Program, please contact James Will at school or have a look at the Physical Education Handbook on the Milgate PS website under the Notices section.

The photo to the right shows an action shot from the Exhibition night. It shows two groups that worked individually throughout the process, and their end product.

The PYP Exhibition was very successful throughout the inquiry.

The PYP Process
The PYP Process is the different stages we took to get the final product. It went:

- Tuning in
- Finding Out
- Sorting Out
- Going Further
- Making Conclusions
- Taking Action

At the end we reflected on how we think we went throughout the Inquiry.

The Final Product
The completed exhibits had posters, websites, videos, slideshows, and interactive games. Students also took action to help make a difference towards their issue.
