LANDSCAPING WONDERLAND
Our Year 6 Building Landscaping Now Completed!

The landscaping around the Year 6 building is finally finished and it looks amazing! The soft synthetic grass area is already a smash hit with all the students. Many teachers are now undertaking lessons in the beautiful sunshine and our Level 4 students are enjoying the relaxing space during break times. The trees look wonderful and the native flora will take off during Spring. This area is just another addition to the beautiful native grounds we are so lucky to have at Milgate PS.
FROM THE PRINCIPAL

This will be the last newsletter for Term 3. It has been a fantastic term with many learning opportunities for students. Thank you to all staff, students and parents for a great term of learning, sporting achievements, academic achievements, musical / art achievements – it has been an excellent team effort from all in the Milgate school community. This week has been Literacy and Numeracy Week and the students have produced some beautiful class books based on other stories or about a specific topic such as colour. Other classes have been borrowing them to read and they are on display in the main foyer area of the school for parents and students to read. There was a Maths night on Thursday 6 September at 6pm when parents and students participated in Maths games together. The students were showing their parents the activities and enjoying the Maths challenges together. In the next two weeks the Year 5 and 6 musical ‘Kids in Space’ will be performed at the Warrandyte Secondary College theatre on Tuesday 18 September and Wednesday 19 September and the Year Prep – 2 Circus Performance will take place on Thursday 13 September at the Doncaster Secondary College theatre. We are looking forward to seeing these performances. On Thursday 14 September, the Year 4-6 Environmental Leaders will be attending a Sustainability Workshop Day at Currawong Bush Park. Mali, our elephant, that was decorated beautifully by the Milgate students has now gone to the Manningham Library to be displayed. Thanks to Carly Jones and all the students who contributed to the decorating of Mali who looks fantastic. Eventually Mali will return to the zoo for display with all the other Mali’s from schools and artists. The artist Malis have been on display around the city.

YEAR 3 AND 4 CAMP
Last week the students in Years 3 and 4 enjoyed a great time at their camp at Mount Evelyn Recreation Camp. They participated in many activities such as: bush cooking, giant swing, ropes course, bike riding, bush walking and archery. Many of the students learnt new skills and met new challenges as they were encouraged to be risk takers, inquirers, open – minded and to ‘have a go’. Thank you to James Will who organized the camp and also to the school staff and parents who attended the camp, working with the students in the activities to make it a very successful and memorable time for the students.

ASSEMBLY – Monday 10 September
Assembly on Monday 10 September will begin at 2:50pm as Bronte and Monique will be singing some songs from Annie with the Year 4 students.

CYBERSAFETY – Monday 10 September at 3:45pm and 7pm

STUDENT ACHIEVEMENTS

Congratulations to Daphne (5DM) who was awarded a prize in the Smash Enterprises Father’s Day competition for her poem ‘What I love most about my Dad’.

**WHAT I LOVE MOST ABOUT MY DAD!**

*By Daphne (5DM)*

My dad is so special to me in every imaginable way. He’s always by my side day or night, rain and shine. He makes sure I’m alright. Sometimes he may be a workaholic, but I’m always there as a figurine in his mind. My dad is smart. He may not understand me as much, but he still knows my downsides and upsides. Some days my dad and I are like lava and ice but other times we are like dew on petals. My dad sometimes is moody like a hungry Rottweiler dog, eventually he’ll get over it. Arguments pour out of our mouths like molten rock, but soon melts like ice-cream on a summer day. He looks after us and always to the best of his efforts. His heart flutters out to us like angels but he’s also strong and stern to give us discipline. My world would be like a 1000 piece jigsaw with only 999 pieces without my dad. My dad is the sunshine of my life, to bring me radiance and love. I love my dad.

Congratulations to Will (4BW) who was the winner of the ‘Best and Fairest’ award in the Yarra Valley Junior Football League Under 10 gold division, to Lachie (4BW) who came 5th and Riley (6KG) who came 9th.

Congratulations to Kendrick (4GA) who participated in a chess tournament at Weeden Heights PS on 24th August. He did exceptionally well and won 5 out of his 7 games against a very strong field of players.

Well done to all of these students. It’s great to see Milgate PS students excelling in a range of areas.
NEW LANDSCAPED AREA
The new area around the Year 6 building with garden areas and a synthetic grass seating / learning area is now completed. The students are enjoying using this area and it will provide a useful space for play, learning and quiet activities.

There is a working bee on Sunday 9 September 9:30am - 11:30am to plant the remaining garden area in front of the Year 6 building. This will complete the area. Come and meet other parents as we all work together to enhance our school environment.

NEW PARKING RESTRICTIONS IN LANDSCAPE DRIVE
New parking signs have been installed on Landscape Drive at the front of the school. To improve the safety, and provide a ‘drop off’ and ‘pick up’ facility for parents, there are now ‘NO PARKING, 8:30-9:15am; 3:15pm – 4pm; School Days’ parking restrictions along Landscape Drive, outside the eastern boundaries of house numbers 99 to 103 Landscape Drive. The Victorian Road Safety Road Rule 2009, rule number 168, states that in a ‘NO PARKING’ area, ‘a driver is permitted to stop the vehicle for not more than 2 minutes to drop off or pick up passengers or goods and the driver must not leave the vehicle unattended’. This will provide parents with the opportunity to ‘drop off’ and ‘pick up’ their children in Landscape Drive, reduce congestion and improve safety.

CHINESE TEACHERS VISITING MILGATE PS FROM OUR SISTER SCHOOL
In Term 4, Week 1, October 9 – 14, five teachers and the Principal from our sister school in China (Experimental Primary School of Beijing Normal University) will be visiting Milgate PS and spending time in classrooms to learn about education in Australia. We will also be providing them with professional learning and an opportunity to experience the Australian culture. This is a great opportunity for us to make connections with the teachers so our students and their students can communicate, skype, learn about what life is like in China and Australia, work on projects together, etc. We will be providing lunch each day for the visiting Chinese teachers so any parents who are able to assist please contact the school office. We are looking forward to a stimulating and great learning time for our students and staff as we interact with the Chinese teachers and learn from each other.
