NATIONAL MATHS TALENT QUEST SUCCESS

Our Congratulations to Amy!

Congratulations to Amy L. who’s MTQ project ‘Thrilling Maths: The Ride of Your Life’ won the National Award for best Year 6 individual project within Australia. She also took home the prestigious Jim Trotter Perpetual Award at the recent Victorian MTQ Awards Ceremony which is presented annually to the best upper primary entry within Victoria. This is an extraordinary achievement, well done Amy!

On top of individual, group and class successes at the Victorian Awards ceremony Milgate Primary School was awarded an Outstanding School Award for the second year running. Milgate was one of only six schools in Victoria to receive this honour. It is a wonderful acknowledgement of the hard work put in by all our students, parents and teachers this year.

STATE ATHLETICS CHAMPIONSHIP SUCCESS

Our Congratulations to Abbey!

On Monday 29th October Abbey C. competed at the SSV State Athletics in the 11 year old Girls 800m & 1500m Athletics events.

Abbey came 1st in her 800m & 1500m events – a wonderful achievement for all her hard work and effort.

Abbey will now represent Victoria at the National Athletics Championships in Adelaide in the 11yr Girls 800m event. We wish Abbey all the best for her upcoming event!
FROM THE PRINCIPAL

During the last two weeks we have had some fantastic student achievements. We have had Maths Talent Quest successes including Amy L. as the winner nationally; sporting successes with teams winning their local finals and moving to the next level of competition; individual sporting successes in athletics with a couple of students winning in state competitions and then going onto the National competition; and Manningham Public speaking competition winners. What outstanding achievements for Milgate PS students. Well done to all of them (see the front page of WHAM for more details of their success)!!

‘Spell Great at Milgate’ Awards were presented on Monday at assembly for students in each class who won the spelling competition. They will now compete against other students in their level in the ‘Spell Great at Milgate’ championship.

Recently the Year 1 and 2 students visited ‘Coopers Settlement’ at Bundoora Park. One of the highlights was seeing the old house and also experiencing an old style classroom, having a lesson and learning what school was like a long time ago. This excursion linked in with their PYP transdisciplinary theme – ‘Where we are in Place and Time’ with a focus on: Learning about previous generations helps us learn about relationships between the past and present.

MILFETE

The Milfete 30th birthday celebration was a wonderful success. It was a great community event with everyone working together – parents, students and staff. There has been a lot of positive feedback from many people in our community. Everyone was having fun and enjoying the day. We were very fortunate with the weather and so many people came to join in the celebrations. The students enjoyed helping on the stalls and the many rides and amusements as well as the food stalls. The stage performances provided a showcase of Milgate PS students’ talents and many people commented on how good it was to see the students performing. This also provided a great opportunity for them to perform in front of an audience.

The Milfete committee began planning the 30th birthday event during 2011. It was led and coordinated by an enthusiastic and committed group of parents. Special thanks to Liz Phillips and Danielle Dobson who led the Milfete committee. Thank you to the following parents who organized various aspects: food stalls - Jodie Harris, Stadium merchandise stalls – Piri Edwards, ‘Milgate’s Got Talent’ performances – Natasha Ballingall and Maria Tommasoni, Class stalls – Kristy Hourmouzis and Sponsorship – Nicole Turner. Thanks also to the Parent Reps and many other parents who assisted in so many ways before, during and after the event. It was a true community and team effort.
with everyone working together. Milfete raised an amazing $22,000 (including the raffle, cake stall & book stall) but most importantly it was an outstanding celebration of our wonderful school community.

PREP TRANSITION
The pre-school children who will be in Prep in 2013 have been coming to Milgate PS each Friday morning over the last 3 weeks as part of the transition program in preparing them for school. This Friday is their last transition session. The children have been doing a variety of activities including Teddy Bear Maths, Teddy Bear Literacy, art activities with teddy bears and using iPads for Maths. On their last transition day, the children will meet the students in Year 5 who will be their Year 6 buddies in 2013. They will have a snack together, read stories and the buddies have made special teddy bears to give to their Prep 2013 buddy. While the children have been doing activities, the parents have enjoyed meeting other parents over morning tea and learning about various aspects of the school such as: School vision and direction, Reading, Writing, P&F, School Council, uniforms, canteen and preparing their child for school. It has been a very successful program with the students enjoying it and becoming more confident each week as they come to school.

NEW WEBSITE
In the next couple of weeks when you access the Milgate Primary School website you will notice some changes. Sponsor-ed, our website provider, has updated the portal with changes to the look of the website providing more options and updates for the school to use. We are currently updating all of our information and streamlining the website to make it more user-friendly. Thank you to Mark Roberts who has spent many hours updating the website and keeping the website updated on a regular basis with some staff also assisting.

THANK YOU - WORLD TEACHERS AND ESO STAFF DAY
Thank you to all the students and parents who made special cards, brought flowers, gifts, etc for their teachers and ESO staff in appreciation for their contributions to students’ learning and lives at school. It was much appreciated by everyone. Thank you!

BENDIGO BANK – SWITCH TO SAVE INITIATIVE
Milgate PS was presented with a cheque for $799 from the Bendigo Bank by Lisa Jones. It is the commission we received from the ‘Switch to Save’ program. In this program, a number of households in this area have had energy saving switches installed and for each switch installed, Milgate received a commission. This money will contribute to the learning resources for students in the school. Congratulations and thank you to all the families that participated in this very worthwhile program.

STUDENT SAFETY
When entering and leaving the school ground near Landscape Drive, both parents and students are asked to follow the pathways and not to cut across the car park as there may be cars driving in or out and we don’t want an accident to happen. So please use the designated pathways for safety reasons. When crossing the roads around the schools, use the school crossings so everyone remains safe. Thank you for your assistance with this.

Debbie Mierisch
Principal

PREP ENROLMENTS FOR 2013
We are still accepting Prep enrolments for 2013. Interested parents can book a personal school tour with our Principal - Debbie Mierisch or Assistant Principal - Mark Roberts. Otherwise you can come by the Office for an enrolment pack or download the enrolment form from the school website.
2012 MILGATE PS YEARBOOK
We have had an amazing response from our expression of interest to the 2012 Milgate PS Yearbook. There have been over 300 copies ordered and we are now sending the book in for printing. The yearbook looks spectacular and I would like to thank and congratulate Miss Turner and Miss Kolovos for their commitment and hard work in producing this keepsake.

A payment form will be sent home to all families who expressed an interest in purchasing the yearbook next week. We have kept the 2012 yearbook to the low cost of $12 and I’m sure that all members of the Milgate community will be very pleased with the glossy magazine.

AUSVELS AND AUSTRALIAN CURRICULUM
Within Victorian schools since 2006 we have used the Victorian Essential Learning Standards (VELS) curriculum. VELS was designed and endorsed by the Victorian Curriculum and Assessment Authority (VCAA) and has provided a framework for all Victorian schools for the last seven years.

In 2013 a national Australian Curriculum will be introduced to all schools across Australia. The curriculum will span from Foundation (current Prep year) to Year 10. In 2013 Victorian schools will incorporate the Domains of English, Mathematics, History and Science into the school curriculum. The VCAA has decided to merge aspects of VELS with the Australian Curriculum and it has named this AusVELS.

The Australian Curriculum has been written to equip young Australians with the skills, knowledge and understanding that will enable them to engage effectively with and prosper in a globalised world. The introduction of AusVELS will provide subtle changes to the curriculum and will focus on the following cross-curriculum priorities:

- Aboriginal and Torres Strait Islander histories and cultures
- Asia and Australia’s engagement with Asia
- Sustainability.

Over the coming newsletters I will provide an introduction to the four Domains that we will incorporate into our school curriculum in 2013 and explain how it differs from our current curriculum design.

If you would like to learn more about AusVELS and the Australian Curriculum please visit the AusVELS website at www.ausvels.vcaa.vic.edu.au.

Mark Roberts
Assistant Principal

ADMINISTRATION

BPAY IS COMING TO MILGATE
Milgate is introducing BPay as an option for parents to make payments to school. This will enable parents to make secure payments via their banking system at any time directly to school without sending credit card details or cash with their students. Each family will be allocated a unique reference number which must be included in the details when processing the payment. The biller code and reference number will appear on your statements. Parents can choose which method of payment they prefer. Further information and statements will be issued shortly.

Janine Caudry
Business Manager

SSV State Athletics results, from Monday 29th October:
- **Abby C** ~ placed 1st in the 11yr Girls 800m & 1500m
- **Will P** ~ placed 4th in the 10yr Boys Long Jump & placed 2nd in the 10yr Boys Triple Jump

These results now mean that Abbey will represent Victoria at the National Athletics Championships in Adelaide in the 11yr Girls 800m and that Will is the first reserve for the 10yr Boys Long Jump. Good luck Abbey.

SPORTS TEAM RESULTS:
- Senior All Stars Regional Hooptime ~ Boys Team: placed 3rd & Girls Team: placed 1st and will now play at State Hooptime on Tuesday 27th November
- Green Girls Softball Team ~ played the Manningham Division Final on Thursday 1st November at beat Donburn PS. The girls now proceed to the Eastern Regional Softball Finals on Thursday 8th November @ Waverley Softball Centre.

OUTDOOR EDUCATION: All Prep – Yr 5 students would have received on Wednesday 7th November an “Expression of Interest Form to be a Parent Helper on the 2013 Camps”. If you are interested in being considered as a Parent Helper in 2013, please fill this form in and return it to Mr Will by Friday 14th December.

FOR YOUR INFORMATION: Prep - Yr. 2 House Sports: Our annual Prep - Yr. 2 House Sports will take place on Wednesday 21st November @ Milgate PS from 9:15am – 10:40am. It is an extremely fun morning and I would encourage as many parents, grandparents, etc to attend this event. If you are able to assist on the day, please see Mr Will prior to the event.

If you wish to know more about how you could help out with any aspect of the PE/Outdoor Learning Program, please contact James Will at school or have a look at the Physical Education Handbook on the Milgate PS website under the NOTICES section.

James Will
PE/Outdoor Learning Coordinator
MILFETE

Wow! What a way to say, Happy 30th Birthday Milgate!
MILFETE

CONGRATULATIONS
To our QLD Holiday raffle winners
The Gemmell Family
PUBLIC SPEAKING COMPETITION

During Term 3 our students were given an opportunity to create and present a speech to their class. All the topics and criteria were based on classroom units of study and the speaking and listening curriculum. Class representatives were then selected to speak to larger audiences at Level assemblies. They were then judged on the content, language and delivery of their speeches. One student from each Level was selected to represent our school at the Manningham Public Speaking Competition.

The writing topics for the Manningham Competition were:

Level I - I wish…..

Level 2 - If I met an alien from another planet…

Level 3 - How would we survive without technology?

Level 4 - If I could fix one thing in the world, it would be…. and an impromptu speech for 1 minute.

Congratulations to the following students who represented Milgate at the Manningham Public Speaking Competitions on the 7th November: Rachel L. [PPM], Mahalia N. [2WH], Claudia M. [4AD] and Lucy P. [6FB].

A special congratulations to Claudia M. who won the Level 3 Manningham Public Speaking Competition.

OVERSEAS TRAVEL DURING JANUARY/FEBRUARY 2013

Dear Parents,

To ensure a place is reserved at our school for children from families travelling overseas during January/February 2013, could you please fill out the following details and return to the school office by Friday 7th December 2012.

Yours sincerely,

Debbie Mierisch
Principal

As part of their Literacy studies this term, students in Level 3 have been learning how to create effective Information Reports and Poems. They have put their studies into practice so here are some examples of the excellent texts they have produced.

**PAT THE DANGEROUS CAT**
Pat is ginger cat,  
A cringer cat,  
A ginger cat.  
With claws that sting before they touch,  
For his prey it’s just too much.  
So ever before him ever close,  
Pat gives them a warning dose.  
Pat has stripes of grey-ish blacky,  
Of which his mother calls rather tacky.  
Pat walks around with a spear in his paw,  
for he likes to eat his prey juicy and raw.  
Pat has a friend by the name of Grouch,  
Who’s practically spent his whole life on the couch.  
Sometimes Pat comes over for a game,  
But with video games he’s actually really lame.  
So now you know not to mess with Pat,  
For he truly is a dangerous cat.

Briana F. 4BW

**There was a cat called Fox,**  
**Who liked throwing rocks,**  
**There was a cat called Felix,**  
**Who liked doing tricks.**

**Together they were great,**  
**And decided to invade the milfete,**  
**They would run and run and run,**  
**To steal the ride Hot Gun.**

**So they came up with a plan,**  
**Which needed help from a man,**  
**Who’s name was Mr Hopper,**  
**And owned his own chopper.**

**So they hooked it up to the ride,**  
**And it lifted as the children cried,**  
**So the people were not in time,**  
**To stop the cat crime.**

Will P. 4BW

**Meerkats by Sarah H.4GA**
This is an information report about an amazing animal, the meerkat. Meerkats are very cheerful creatures. A meerkat is a mammal that has pointed ears and patchy brown fur. Meerkats have very sharp claws and excellent eyesight, which can spot an eagle in flight more than 300 metres away. A newborn meerkat weighs up to 30 grams. Meerkats communicate by talking in a squeal. When meerkats are in danger, they let out a high pitched squeal that their family will recognize so they can help.

Meerkats live in groups of up to 40 and they live underground in lots of tunnels. Meerkats dig the tunnels with their sharp claws and there is a room, which is a space in the dirt, where the meerkats sleep. Meerkats live in deserts or grasslands where the tunnels are easier to dig and the climate is hot.

Most of the time, meerkats eat small insects like spiders or beetles, but sometimes they eat larger creatures like scorpions as well. When meerkats eat scorpions the first thing they eat is the sting, so the scorpion won’t sting them. Then they devour the rest of the scorpion. Delicious! Meerkats also eat berries that they can find in bushes and trees.

Meerkats normally walk on two legs, but when they jump, they jump on all four legs. Meerkats are very curious, playful and active, and live for up to ten years. They are one of the most interesting creatures on earth, and I hope you agree with me as well.

**Bibliography:** National Geographic for Kids
Bald Eagles by Samir G. 4GA

The Bald Eagle is an eagle with a white head and yellow beak. The name ‘Bald’ comes from the English word ‘balde’ which means white.

Fast Facts: This animal is a unique type of bird. Females are smaller than males and grow up to one metre long.

Flying: When these eagles fly they lift half their body weight. Their 2.4m widespread wings help the eagles soar over 3048m high and swoop up to 161kph!

Food Source: These eagles are like regular eagles eating fish from the sea water. This animal’s amazing eyesight helps them see fish from 1.6km away, that’s longer than you can see! Bald Eagle’s strong claws help them catch fish double their body and females grow up to 4kg.

Breeding: When the baby hatches they are called Eaglets. The father eagle grabs sticks and leaves to build up the nest. These nests are called Aeries. The nests are usually very big and heavy. One nest in America was 2.7m wide, 6.1m tall and weighed 1814kg.

Predators: Eagle’s main predators are crocs and some snakes but they mainly die because their habitat or food source has been taken away from them. For 40 years people have been trying to save this amazing bird. Sometimes eagles also die from old age because they die at just 35 years old.

Habitat: Bald Eagles mainly live in South America because of the climate and because of the fish that live there, the fish that live there are extremely tasty from the eagle’s point of view.

Bald eagles are very unique because of the amazing things they do and I think that we should try and save this wonderful animal from extinction.

The focus of our inquiry is to consider how significant events have shaped us individually, as a community, nationally and globally. We listed many events important to Australia’s history including the arrival of the First Fleet and wrote some journal entries from an indigenous person's perspective.

25/1/1788

It was a hot summer evening everything was silent apart from Benelong telling an old dreamtime tale. This morning we all woke to here an alarm call from Benelong “Stranger! Stranger!” and there they were, coming they were just beyond the horizon.

They were here. Strange people wearing stuff covering their bodies, it was a confusing scene. Once we had talked for a bit we all danced to help introduce our culture to them. I danced with a young lady called Elizabeth. It was a magical night.

26/1/1788

Suddenly we all woke to the sound of banging. The British were cutting down trees and putting up tents. We asked what they were doing and they said ‘we are clearing the land so it can be lived on… Properly’.

We got angry because we were all getting ill and dying because of something called the small pox, We were disappearing by the minute. I rushed around warning others until there was a final battle, Then Benelong was kidnapped all seemed lost……

I hope journal has been found so people know the truth I’m afraid this is my last entry.

Koombala……by Claudia M. 4AD
1. I’m at the race, 4. I focus on the race,
I’m in the crowd, 11 like a ‘gun’,
I found my seat Taken by 16,
And I’ve sat down. And I have won.

2. I’ve made a bet, 5. I get my money,
On horse 16, It’s time to leave,
I’m feeling hungry I get in the car,
And I get out my bag of beans. And I shoot off like a bee.

3. I watch the race, 6. The stadium is now nothing,
6 is in the front, 5 beans to go,
I buy the donuts, When I’ve eaten them up,
I really want. I’m already home.
Keep it age appropriate

Think twice (and say your child’s age out loud “in your head”) before saying yes to advanced technology (phones/Internet/Facebook). Just because “everyone else’s kid is doing it” doesn’t make it a good idea. Don’t be afraid to do what you feel is right for your child at their particular age. Explain your reasoning and remember that children actually need boundaries to feel safe. They need your leadership, and saying “no” can be a very good thing.

Think twice before turning on that adult reality TV show, PG, M or R-rated movie, or Teen or M-rated video game. Again, just because “everyone else’s kid is doing it” doesn’t make it a good idea for your child at their age! Saying “no” might be the best way to teach your child about the importance of taking a stand when it comes to important values discussions.

Be a role model

Encourage your children to be open-minded about issues that often play a role in bullying situations (meaning: kids DO notice and talk about these things!):

- obvious physical differences among human beings: weight, height, race
- religion or country of origin
- length of time in a school or town
- degree of popularity
- which sports are played or which activities are participated in
- home/family situation (married, divorced) or whether both parents work, or not
- amount of money parents make (including mother compared to the father)
- medical conditions or behavioural disorders.

Be mindful of cliques in schools or neighbourhoods or in extra-curricular groups your children participate in. Do what we can as parents to model — and encourage — inclusiveness. Be on the lookout for new families in your schools and neighbourhoods and make the most of these teaching moments to discuss — and demonstrate — kindness and openness.

Never underestimate the influence you have over your children. YOU are their most influential teacher. They watch and absorb everything you do: how you react to and process everyday situations, how you relate to your peers, your spouse, people working in and around your home, their teachers, drivers on the road. Everything. All the time!

by Jane Searle (CASSE facilitator)
PARENTS & FRIENDS

DONCARE CHRISTMAS TREE
Christmas is fast approaching and it's time to show your true Christmas spirit - generosity. We are supporting Doncare again this year as they are a very worthwhile local charity that help many families in our local area.

We've put up the Christmas tree in the Office foyer and we hope you'll help us support Doncare again this year by placing a gift under the tree (no wrapping please) by Wednesday 5th December. Our wonderful school community has always been so generous at this time and we know this year will be no different! Thank you for all your fantastic support.

NEXT MEETING
Come join us at this very big and exciting meeting next Friday 16th November at 9am in the staffroom. ALL are very welcome.

Amanda Raymond
President - 0428 121 067

SCHOOL FUNDRAISER

SNAPATOONIES
Just a reminder about the Snapatoonies School Fundraiser. Orders are required back to school by Friday 30th November for delivery on Friday 14th December - in time for Christmas.

Snapatoonies is a great Christmas present for children 0 – 5 and with 16 episodes to choose from there is a DVD for every child. Both the DVD sales and online downloads benefit the school. Preview all the episodes online at www.snapatoonies.com.au/myfundraiser and click on the Milgate PS link.
