PRINCIPAL'S PERSPECTIVE

Outdoor Classroom Day

On Thursday, Milgate took part in the Outdoor Classroom Day, which is a global movement with approximately 15,000 schools involved across the world. The aim of the day was to help build greater awareness of the environment, provide more opportunities to think independently, and get students feeling excited about learning. Students spent time drawing, writing and undertaking rich math tasks.

Parent Survey

We would like to extend our sincere gratitude to all those that took the time to complete the Parent Survey as part of our school review process. We had over one hundred families take part and their insights and suggestions will be invaluable as we prepare for our review and set goals for the next four years.

Planning Week

Next week will be planning week for the teachers. Each year level of teachers is released for a whole day to work together in collaborative planning of the Term 4 curriculum and learning program. While they are planning, the specialist teachers will provide the learning for the students. Planning days for the year levels next week are:

- Monday - Year 4
- Tuesday - Years 1 & 2
- Wednesday - Foundation & Year 3
- Thursday - Years 5 & 6
- Friday - Specialists

Yours sincerely,
Debbie Mierisch

OFFICE NEWS

Newsletter Update

We recognise that communicating with our school community plays such an important role in developing and maintaining student engagement. As such, we're always looking for ways to improve our communication between school and home.

In Term 4 you'll see a new format for our weekly newsletter. This new format will enhance communications as it can be viewed on any device - great for today's busy families. It also has the ability to be translated into over 100 languages - making it easy for families to stay in touch using their native language. We're really excited about this new format and we're sure it will really benefit our families.
