## **MISSION**

Milgate Primary School's mission is to empower students to ensure they will succeed as responsible global citizens and independent self learners within today's rapidly changing world. To provide a dynamic, inclusive learning environment that challenges students to become inquirers, thinkers and caring young people who are able to interact in the global society with respect and intercultural understanding.

## OBJECTIVE

Milgate Primary School's objective is for students to be socially competent interdisciplinary learners who are also team players and risk takers.

## VALUES

Milgate Primary School's values are based on those from the International Baccalaureate (IB) Primary Years Program (PYP). The IB Learner Profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

- **Inquirers:** We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.
- **Knowledgeable:** We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.
- **Thinkers:** We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.
- **Communicators:** We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.
- **Principled:** We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.
- **Open-Minded:** We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.
- **Caring:** commitment to service, and we act to make a positive difference in the lives of others and in the world around us.
- **Risk-takers:** We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.
- **Balanced:** We understand the importance of balancing different aspects of our lives - intellectual, physical, and emotional- to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.
- **Reflective:** We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.
